Drilling Automation and Simulation Seminar

June 6th, 2017
15:30 – 18:00

Agenda

15:30 Welcome to ITE

15:40 Automation and Control in Underground Coal Mining
Bohn/Beitler/Holm, IEI TUC

16:00 Current research activities with focus on drilling at the Institute of Electrical Information Technology
Bohn/Beitler/Holm, IEI TUC

16:15 Coffee break

16:30 Drilling Simulator Celle, incl. Numerical Modeling
Aragall, DSC TUC

16:50 Status and Outlook for Drilling Automation
Florence, RigOps LLC

17:45 Wrap up/Closure
All

Venue

Institute of Petroleum Engineering (ITE)
ExxonMobil Lecture Hall
Agricolastr. 10
38678 Clausthal-Zellerfeld
